Dear Ms. Wisely,

I can speak on behalf of GEAR UP, North Carolina. You have my permission to publish a copy of the North Carolina College Knowledge Inventory (2008) in your dissertation appendix.

Sincerely,
Tenika McMillan

Subject: final permission?

Hi Chrissy,

I need one more formal permission, I think....

It's been a loooooong time coming, but I'm wrapping up my dissertation study on The Association of College Knowledge to College-Going Beliefs in Eighth Grade Students. Our submission system requires written permission to use published documents. I would like to put a copy of the NCKI in the appendix since I used a revision of it for my study. Would you be willing to write that up for me?

Additionally, once I publish my dissertation, I would be willing to send you what data I have - or a copy of the diss - or both. Let me know if you are interested in either.

Here's an example of what I need - of course, the sooner the better as I'm working on those deadlines.

For example:
