I, Micah Dadson, have read and fully agree to the Baylor University copyright agreement regarding my thesis. I agree to the thesis availability option I selected on the Thesis Copyright and Availability form. I understand that the availability option is my choice and that there may be publishing consequences to my selection.

I am at home without the full software, so maybe I am not able to edit. I can do the email signature:

I, Matthew Fendt, have discussed the availability choices with this student, and I am aware of the choice this student has made.
